Hi, This is the Ol' Leeper, announcing there will be \$100 added to be split between the top 3 BTV WEST fliers on Sunday, 11Feb2018!

So the rules are same as prior years: 12" CLG of any design weighing a minimum of 10 grams & using AMA rule launcher/rubber.

Any flight that scores 2 minutes advances to the next round/heat, so I suggest you make several, or use DTs!
