5-DAYS IN TANGENT

BIG CITY

The flying field is conveniently located just 75 miles from Portland.

To get to the site: Take 228 exit off I-5, Head East toward Lebanon, Turn Right at Seven Mile Lane and Follow the Signs to this year's Field

SMALL TOWN

Tangent is a quick 7 mile drive from Albany, which is a charming historic town. Check out the website below to find out what you can do there, and where you can eat. We recommend Sybaris Bistro, a wonderful farm-to-table restaurant in Albany. (sybarisbistro.com) traveloregon.com/things-to-do/trip-ideas/road-trip-albany/

REGIONAL ATTRACTIONS

The Oregon Coast, with its lighthouses, beaches, tidepools and seafood, is just an hour and a half away. The Evergreen Aviation & Space Museum, about 45 miles away, features an X-15 and SR-71 in addition to the iconic Spruce Goose and many other aircraft and rockets.
