**Bishop, CA 93514**  
**USA**

**bisheatf1a@aol.com**

## HOLLOWAY HILL

Holloway Hill is man made and was created when excavating gypsum. From the top at the West face the vertical distance into the pit is approx. 34m/110ft. The top is flat and is accessible by car. Some surfaces are soft but retrieval by foot or motorcycle is fairly easy.
